From the Pastor

Come! Celebrate! Connect!—Part 1

The *Come! Celebrate! Connect!* event is designed to give all parishioners an opportunity to see what St. Francis Parish has to offer you to learn, grow, and serve using your God-given talents for the service of the Church and the community. This is the third year we are celebrating it. It is an invitation for all to come, to get to know the members of the parish family and to celebrate. It is unfortunate that there are still about 25% of our parishioners who have not returned to the Church after the COVID pandemic. While we appreciate the presence online, we would really love your physical presence with us if you are not sick or unable to get to church. It is within a community of believers that we worship and grow. Being physically at Mass with the rest of the community and receiving the Holy Eucharist is not the same as watching online and making a spiritual communion.

I would like to invite you all to this special celebration, ***Come! Celebrate! Connect!* on Saturday, August 19th, and Sunday, August 20th, after all the Masses.** It is an invitation to *Come* to see what St. Francis has to offer you to learn, grow and serve. It is an invitation to *Celebrate* the Holy Eucharist with us, who we are as Catholics and to give thanks to God. It is an invitation to *Connect* with fellow parishioners and with the life and activities of the parish. It is an invitation to be the good stewards God has called you to be.

I know we have a number of new families who have joined our parish during the past year. It is an invitation to get to know the members of our church family. We will have food and refreshments after all the Masses at the 27th St. Church.

Come! Celebrate! Connect! will provide the opportunity to get involved in the life and activities of the parish. All the ministries in the parish will be on display.

Jesus has called each of us to follow Him, and we have responded to that call by our baptism. In our fast-paced, consumer-oriented society, it is often difficult to live our baptismal call. But there is a solution. In the Bible, God asks us to live as good stewards. **Stewardship is a way of life that brings**

God into the center of our

daily living. It is a way of living each day in gratitude for all the blessings that God has given to us. It is becoming His intentional disciples. **The goal of our life is holiness—and stewardship is the practical way to get there!**

In 1992, the U.S. Conference of Catholic Bishops released a pastoral letter on stewardship entitled: *Stewardship: A Disciple's Response*. I encourage everyone to read it and get to know more about stewardship. My space here is too limited to give a detailed explanation, but a PDF of the pastoral letter gives a wonderful and detailed explanation of stewardship. Go to the USCCB website at: <http://www.usccb.org/stewardship/disciplesresponse>.

The bishops' letter on stewardship did not deal with money because they realized that money was not the problem. Money was only a symptom of something else.

The Catholic Church in this country had a very humble beginning. Today, however, the USCCB has a network of churches, schools, and charitable institutions—they are the result of the stewardship of our Catholic ancestors. Would our ancestors be happy with the way we live and spend our time, talents, and resources? It is when we put stewardship at the service of the Kingdom of God that we fulfill our Mission. The Church needs your helping hands. We need several more volunteers both at the parish and school by which you can help carry out our Mission.

For as in one body we have many parts, and all the parts do not have the same function, so we, though many, are one body in Christ and individually parts of one another. Since we have gifts that differ according to the grace given to us, let us exercise them: if prophecy, in proportion to the faith; if ministry, in ministering; if one is a teacher, in teaching; if one exhorts, in exhortation; if one contributes, in generosity; if one is over others, with diligence; if one does acts of mercy, with cheerfulness (Romans 12: 4-8).

“Knights Corner”

We received this letter from the Knights of Columbus Supreme Office recently after our pledge to the Ukraine Solidarity Fund:

When the war in Ukraine first broke out, the Knights of Columbus immediately activated our membership and network of partners to provide care and comfort to those fleeing their homes. **This aid would not have been possible without your support and that of thousands of generous donors to the Ukraine Solidarity Fund. Today, as the humanitarian needs in Ukraine continue, I ask you to consider standing with the Knights of Columbus by renewing your commitment to the Ukraine Solidarity Fund.**

In the opening days of the war, Knights of Columbus Mercy Centers were erected on Ukraine's border with Poland, welcoming more than 300,000 refugees, almost entirely women, children, and elderly. That initial operation was quickly joined by our Charity Convoys, which have now trucked more than 6 million pounds of food and supplies, for distribution by Knights of Columbus to the people of Ukraine. All this and far more was made possible, in part, through your help.

Our latest effort is to ensure that every Ukrainian Catholic parish is a home of mercy and a beacon of hope for a people very much in need of hope. Through our Powering our Parishes Program, the Ukraine Solidarity Fund has provided over 200 generators to Catholic parishes throughout the country, providing warmth and a center for community support in the coldest winter months. Now and in the future, we want parishes and Knights of Columbus councils to remain strong and steadfast sources of stability and of assistance.

With the help of our network of local Polish and Ukrainian Knights, your support for the Ukraine Solidarity Fund will continue to magnify our impact and will get aid where it is needed most—both today and into the future—offering, above all else, a message of solidarity and hope.

And so, while renewing my thanks for your past assistance, I ask you to join with us in redoubling our efforts to be a source of hope into the future. Please consider a gift to the Ukraine Solidarity Fund today.

*Gratefully,
Patrick E. Kelly,
Supreme Knight*
