## *Come! Celebrate! Connect!—Part 2*

**A**s we celebrate this weekend's event, *Come! Celebrate! Connect!* I would like to reflect on God's gift of time, and how we can use our time and talents to bring God to the center of our lives and live as good stewards. Our mission is to evangelize—and carrying out this mission takes time, energy, skills, and financial commitments. We have different and unique gifts given to us by God. When we bring these gifts together in our parish, we can build God's kingdom here on earth. As Catholic stewards of God's time, it is important that we learn to set priorities, make choices, and spend time doing the work that God truly wants us to do for Him.

God has given us time. He has blessed each of us with 1,440 minutes in every day and 10,080 minutes in every week. How many of those minutes do you use in His service in the Church? Studies show that the majority of our time goes to sleeping, working, and watching TV. In fact, typically, more than 1,000 minutes a week, or about 10% of our time, goes to watching TV.

By contrast, how much time does God get? Studies show that less than 100 minutes—or less than 1% of our time per week—is devoted to spiritual activities like prayer, worship, and volunteer activities at the Church. Can you give God a little more of your time?

The celebration this weekend will provide you with the opportunity to get involved in the life and activities of the parish. All the ministries in the parish will be on display under the titles learn, grow, and serve. You will have the opportunity to join one or more ministries to share with God and His church the gift of time. It takes a lot of volunteers sharing their time to run the Church.

We had a Volunteer Appreciation Dinner last May, and there were about 170 in attendance—which was only 50% of the volunteers. That means only 18% of our parishioners spent their time at the church volunteering.

We have always known that the many parishioners who volunteer to serve in our various parish ministries are most valuable. Now we have confir-

mation. Based on the average hourly wage, experts currently estimate that one hour of volunteer time is worth \$22.55.

However, your volunteer time is invaluable to the Church. When you share your time and talent to do God's work in the parish, you are contributing your share to build God's kingdom. As St. Teresa of Avila said:

*Christ has no body now on earth,  
but yours;  
no hands but yours;  
no feet but yours.*

*Yours are the eyes through which  
He is to go about doing good;  
yours are the hands with which  
He is to bless people now.*

Therefore, by sharing the gifts of time and talents with the Church, you can truly be the hands and feet of Jesus Christ here in our parish. I greatly appreciate those of you who already share your time and talent with the Church.

To others, I pray that our celebration this weekend will be a time of reflection and resolution. Stay after Mass this weekend to connect with others, enjoy some food, and celebrate the life and activities of our parish. The food has been discounted so that you can buy it at a lower price. Check out the various ministries the parish has to offer, and join one or more of them to share your God's gift of time and talents with Him and His Church.

*Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received. Whoever preaches must do so as one speaking the very words of God. Whoever serves must do so with the strength that God supplies, so that God may be glorified in all things through Jesus Christ to whom be the glory and the power forever and ever. Amen (1 Peter 4:10-11).*
