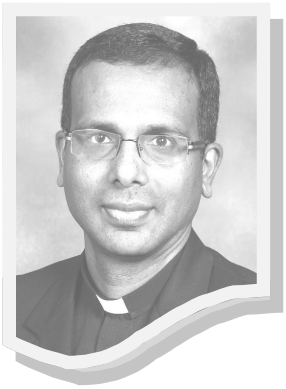
From the Pastor



St. Francis School is preparing to open for in-person classes Monday through Friday!

St. Francis of Assisi Catholic School is positioning to open its doors for the first day of school on **September 9th.** The Preschool through 8th Grade School has 16 classrooms waiting for students. The students and staff will follow all of the State guidance for reopening to keep our students and staff safe. Health screening will happen at entrances, and classes will remain in their cohorts with distancing throughout the day. Even the students' Mass in the main church will be socially distanced. The teachers of special classes including Art, Music, PE, Library, and Spanish will travel from room to room.

This type of schedule is a bit more challenging for the teachers. The Middle School is going back to a very old style where the students stay in place, and the specialized teachers move from room to room. An independent study approach called Genius Hour will temporarily replace the elective classes while still giving students the opportunity to choose what to learn.

It is unfortunate that some of our beloved families have decided to teach their children at home this year due to the fear of COVID-19. I pray that they remain safe, and find the year fruitful for themselves and their children. On the other hand, we have some new families who have registered and are looking forward to Monday through Friday in-person classes for their children.

St. Francis of Assisi Catholic School, which is located at 2450 NE 27th Street, is connected to, but separate from, the parish offices and the main church. Each classroom opens onto the courtyard and playground. The teachers are planning on making greater use of the outdoor spaces during the warm weather and keeping the pace relaxed. St. Francis School's regular hours are 8 a.m. to 3 p.m., but this year the entrance and exit times will be staggered by a few minutes to allow for distancing. Students are looking forward to five full days of school with their classmates.

Stewardship is the social justice principle that flows through the STREAM curriculum (Science, Technology, Religion, Engineering, Arts and Mathematics) at St. Francis.

Stewardship is being a guardian of the gifts God has given us, and our school is gifted with large classroom sizes and wide hallways. With 100 families, each guarding their health, St. Francis School should have no problem meeting the requirements to open.

Some of our classrooms can hold 15 students maintaining social distancing, and others can hold 18 students. We now have an average of 13 students per class. So, we have openings for a few more students. The 6th Grade, however, has maxed out with 18 students and now has a waiting list. Please hurry if you wish to have your child in school full time this coming school year!

We are looking forward to welcoming our students and families back to school come fall.

—Fr. Jose Thomas Mudakodiyil

St. Francis School Opening News

St. Francis plans to be open for in-person learning five days a week, 8 a.m. to 3 p.m. This school year won't look like previous years. Online integration has been improved with Wonders reading and Envision 2020 math.

The SMART boards will link to student devices to assist with creation and collaborative learning at school or at home. We are ready for students to be present, follow at home, or distance learn as the need arises.

We are taking the following steps to create the safest possible learning environment: increased ventilation, increased sanitation, creating one-way traffic patterns, wearing face coverings, a new water bottle fill station, social distancing in classrooms, staggered recess breaks, students remaining in classroom groups, lunch in class-rooms or outside, entrance screening, and attending Mass in small groups.
