From the Pastor

Lent Is Here

We have just begun the season of Lent with the observance of Ash Wednesday on February 17th.

It was in the middle of Lent last year that everything came to a screeching halt with the outbreak of the Coronavirus Pandemic. The Church had to close its doors, and we moved to online streaming. We continue to stream the Masses yet today for the sake of those who are still unable to join us in person. We are very grateful that we can have in-person services, although with some restrictions. We are keeping up our prayers for a full return.

Lent is a journey accompanying Jesus into the desert with fasting, praying and almsgiving. The desert is not anything new to us, as we live pretty much in the desert. The desert gives the least distraction and helps us to focus on God.

Remember to find some extra time for prayer and penance during this season of Lent to focus on what the season is all about. Try to go to a weekday Mass, Eucharistic Adoration, the Stations of the Cross, reading the Scriptures daily, or spending some time in personal prayer.

Lenten reflection materials such as *The Word Among Us* and the link in my weekly emails are provided for your use.

Have a special jar on your dining table this season of Lent to put in your savings from the sacrifices you make every day of Lent and, then when Easter comes, give those savings for the benefit of the needy.

The most important thing anyone can do for Lent is to “return to the Lord with your whole heart” (Joel 2:12). That is the root meaning of repent: to turn around. Catholics have traditionally expressed sorrow for their sins and the

desire to live as genuine Disciples of Christ through the three traditional Lenten disciplines of fasting, almsgiving and prayer. These Lenten disciplines prepare us to receive the grace of Easter. These disciplines are aimed at purifying and transforming our lives to help us rise with Christ to the challenges of self-giving love.

Fasting is the most powerful spiritual discipline of all the Christian disciplines. Through fasting and prayer, the Holy Spirit can transform our lives. Fasting helps us both spiritually and physically. But, fasting is one of the most neglected spiritual practices today. Yet, it is the most effective means to get rid of our stubborn evil inclinations, obsessions and habits. It is a great tool for self-discipline. Jesus Himself fasted and taught His disciples about it.

Fasting is a time when we abstain from food or other pleasures and take the time to focus on God. Denying something physical to glorify God, and enter into a deeper relationship with Him is the spirit of fasting. It is a way to demonstrate that we are serious about our relationship with God and that He comes first.

The Church requires us to fast on Ash Wednesday and Good Friday. Anyone over the age of 18, but under the age of 60, should eat only one full meal on those days.

The Church also invites us to practice abstinence. It means that anyone 14 years old or older must abstain from meat on all the Fridays of Lent. The USCCB allows for substitution of some other forms of penance for abstinence on all of the Fridays of the year, except the Fridays in Lent. I pray for a grace-filled Lenten journey.

—Fr. Jose Thomas Mudakodiyil

The children had a day to share their religious icons and medals, and they raised \$460.84 to end childhood Leukemia. Congratulations on starting our 85th year of providing Catholic education to Central Oregon!

Fourth grade celebrated St. Valentine’s Day with a STEM bridge-building challenge.

Kindergarten celebrated Chinese New Year and St. Valentine’s Day together by sorting gummy candies with chop sticks and making red noise makers. Red is for good luck and noises chase away bad luck.
