Stewardship 2023— *Belong, Believe, Be Disciples: Part III*

Stewardship is the path of discipleship. It is living in gratitude to what God has given. A good steward is grateful, responsible, generous, and returns with increase. We know the story of Cane and Abel. While Abel brought to God the first born of his sheep, Cane brought what was left over. God was pleased with Abel's offering.

Stewardship is about living and using the gifts God has given to each of us. It is about being the Church today in the 21st Century. We need to stop "doing" the Church and start "being" the Church.

A Church congregation can be divided into three groups. The first group of people is the **Engaged**. Studies have shown repeatedly that, in general, only 16% of the people are engaged in the Church, and these 16% do all the work. These are the people who show up for every event in the Church. They give 5% of their income, which accounts for 40% of the Church's financial need.

The second group of people is the **Not Engaged**. These people are 49% of the parishioners. These 49% attend Sunday Mass more or less regularly and contribute 2% of their income to the Church.

The third category of people every Church will have is the **Actively Disengaged** group. They make up 35% of the parishioners. The actively disengaged can be divided into two groups: those who show up a couple of times a year, and those who are dissatisfied and find more things to complain about than contribute. They give less than 1% of their income or nothing at all to the Church.

Our goal is to become an evangelizing community, a community that is not afraid to invite others. We need to build a culture of invitation. It is the key to evangelization. It is the key to help more people move into the engaged category.

The Eucharist is the source and summit of our faith. Becoming good stewards means becoming part of the engaged group of people. Our goal is to raise the percentage of people who are engaged. That is the key to realizing our "dream parish."

We do not want 16% of the parishioners doing the work of the remaining 84%. By embracing stewardship, you are challenged to become members who contribute to the growth of the church rather than those who merely benefit from others' sacrifices.

We have an amazing Catholic community here in Bend, and we have made great progress. But to continue to grow, please respond positively to the call to be good Christian stewards by putting God first—loving Him with all your heart mind and soul. We are asked to love God more than we love material possessions. We are asked to give God more than what we spend in Starbucks, or on drinks, the Internet, television, Netflix, "smart" phones, or on other subscriptions.

In a society that encourages us to constantly buy and think of ourselves, God is asking us to give and think of others—and our collective responsibility as the Church. Therefore, to succeed as stewards, we need faith and commitment.

We are coming out of a pandemic when some of us lost family members, relatives, and friends. It has been difficult for most of us. It has affected many aspects of our lives, including our giving habits. The Bible is full of sacrificial giving. Abram tithed as a symbol that he depended totally on God. Moses said tithing was holy and an act of worship. Malachi challenges us to tithe. David reminds us, "The earth and everything in it belongs to Him." Our tithe is merely a way to recognize that. Every family will need to prayerfully discern the level of giving to the measure received from God.

This is commitment weekend. I have turned in my commitment card. What about you? "Everyone who has given up home, brother or sister, father or mother, wife or children or property for my sake will receive many times as much and inherit everlasting life" (Mt 19:29).

—Fr. Jose Thomas Mudakodiyil

October—Respect Life Month

The following are excerpts from Pope Francis' 2013 apostolic exhortation, *Evangelii Gaudium* (The Joy of the Gospel), in regard to the pro-life efforts of the Church. He reminds us that: "Among the vulnerable for whom the Church wishes to care with particular love and concern are unborn children, the most defenseless and innocent among us. The defense of unborn life upholds the conviction that a human being is always sacred and inviolable, in any situation and at every stage of development."

Yet the Holy Father acknowledges that the Church has often, "... done little to adequately accompany women in very difficult situations, where abortion appears as a quick solution to their profound anguish. Our mission as disciples of Christ Jesus is at once a passion for Jesus and a passion for His people. For having received the love of Christ, how can we but share that love with others?"

—Condensed from USCCB, *Living the Joy of the Gospel*, www.walkingwithmoms.com

The **Pro-Life Joyous Rosary** will be recited again for the close of Respect Life Month on **Sunday, October 30th at 9:30 a.m., in the St. Clare Chapel before the 10 a.m. Mass.**

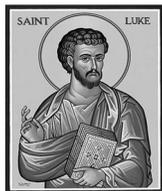

Please join us with your attendance at this Rosary to Our Lady in prayer and supplication for the support of the Pro-Life movement, prayer for the souls lost so far, and prayer for a better future for our children.
